## WHAT WE EXPECT FROM YOU

- **Face coverings recommended** for employees, volunteers, and participants at all times, except when eating and/or drinking.
- **Maintain good hygiene** at all times – washing and sanitizing your hands as needed throughout the program or event.
- **Monitor your health** to determine whether you should attend in-person gatherings. Should you be experiencing any symptoms of illness or if you have been in contact with anyone who has tested positive for COVID-19, please stay home. Should you experience symptoms after attending, please notify Chamber staff immediately.
- **Keep your distance** from fellow participants – 6 feet as is possible. Shaking hands and exchanging business cards, though common business practice, is discouraged.

## WHAT YOU CAN EXPECT FROM US

- **Marketing** event messaging to discourage people who are sick from attending the event via email, social media and on our website.
- **Hand sanitizer** will be provided at each exhibitor booth.
- **Limited capacity** in line with State and Local recommendations at all events will ensure social distancing is possible.
- **Thorough cleaning and sanitization** of surfaces will be conducted by staff and/or contracted cleaning services.
