

35th Annual Garland Chamber of Commerce Golf Tournament

Title Sponsors: Garland Power & Light / Plastipak Packaging

Friday, September 20, 2019 | Firewheel Golf Park
600 W. Campbell Rd. | Garland, TX 75044

VOLUNTEER SIGN-UP

Each year, the Garland Chamber of Commerce hosts a golf tournament. Through the generous support of sponsors and golfers alike, the tournament has grown steadily over the years. The tournament allows the opportunity to build strategic business partnerships to help support the economic viability for the city of Garland.

One reason that many of the golfers return year after year is the enthusiasm of the tournament volunteers who spend a day on the links overseeing special contests and keeping spirits high. We would love to include you in our volunteer ranks! In return for giving up a few hours of your valuable time, you will receive the official golf giveaway and lunch.

For a description of the volunteer positions, please see page 2. We only need 20 volunteers for that day. ***(Volunteers must be Chamber members.)***

Count me in!

VOLUNTEER POSITIONS

REGISTRATION AREA (4)

Time required: 7:00 a.m. to 9:30 a.m.

General "Golfer" Check-In:

Be prepared to do whatever is needed at the direction of Chamber staff. Some people will be needed to cheerfully "steer" the golfers into the registration area in an organized manner (i.e. not letting them enter registration backwards, etc.). Check-in golfers, distribute goodies, and assist in locating location of golfer golf cart / team.

"TEE BOX HOST" CHECK-IN (3)

Time required: 7:00 a.m. to 9:30 a.m.

Helpers will assist "hosts" with finding their hole, understanding the rules, where to set up, and help as needed.

Tee Box Host Rules . . .

1. Please do not interfere with the pace of play.
2. Please be respectful of the space surrounding the tee box.
3. Be creative and have fun with the golfers!

TICKET SALES (4)

Time required: 7:00 a.m. to 9:30 a.m.

What are Mulligans?

Mulligans are the golfer term for "do-over." If a golfer hits a bad shot, then he/she can use one of his/her mulligans to take the shot again. Each golfer can use up to two mulligans. One mulligan may be used on the "front nine" and the other on the "back nine".

- Each golfer can purchase as many mulligans as they want. The more they buy the better chance of winning a door prize. Do tell them they can only use **two** mulligans on the course.
- **Cost:** One for \$5.00
- They can be used on any shot, but will not count on a hole in one!
- The more mulligans purchased the more chances to win one of the five Grand Prizes.

FAIRWAY SITTERS (4)

Time required: All afternoon 8:30 a.m. to 3:00 p.m.

The "big prize," winning a car for a hole in one, is provided by insurance policies procured for the event. The insurance requires that witnesses be present if a big prize is won. In addition, it is good PR for you to have happy smiling faces on the links to greet the golfers as they pass by. That said, you will be monitoring: *Hole in One (on appropriate holes only)* monitor to see that the player makes the hole with only one shot.

Please be sure that one volunteer remains at your station at all times, especially when one goes on a bathroom break. Station yourself near the greens where you can see both the golfers teeing off and the hole that the golf ball could roll into. However, be sure you're not so close that you'll get hit by an errant golf ball...

SNACK CART DRIVER (2)

Time required: 9:00 a.m. to 3:00 p.m.

This person will drive a golf cart (1 person per course) offering water & snacks to players.

Awards Ceremony (3)

Time required: 12:00 p.m. to 3:00 p.m.

Provide assistance as needed before and during awards ceremony.
